

PAC Team

PMHA is creating a PAC Team to assist with raising funds for the Political Action Committee. If you would like to be a part of our Team, please complete the information below and return the form to PMHA!

This is an excellent way for members to create positive and long lasting relationships with their elected officials. Members of the Legislative Team will be asked to contact their legislators when there are major issues that may affect the industry. They will also be called upon to help raise funds and PAC awareness and deliver PMH PAC contributions.

Maybe you've never had any contact with government officials and you're a little hesitant, don't be.

PMHA and our lobbyist, Milliron & Goodman Government Relations, LLC, will assist members and guide you through everything from how to make contact with legislators, to helping you find your voice and address the "hot topics".
