Keynote **SPEAKER**

Sean O'Neil, President, Memory Dynamics, Inc.—Transform Your Memory from a Liability... into Your Most Powerful ASSET!

Do you often meet prospects & clients and embarrassingly forget their names... sometimes MINUTES or even SECONDS later? Don't panic just yet. It happens to nearly every one... and there is a solution! Come join 26-year Memory Expert, Sean O'Neil, and learn some valuable tips & tricks to increase your recall of NAMES and FACES by nearly 250%. Especially in this market, every person you come across is that much more valuable. Don't blow your first impression! Impress clients with the confidence and competence that an upgraded memory is guaranteed to bring.

Additional **SPEAKERS**

David Finney, Owner, Bild Media —Smart Homes, Smart Sales: How AI Can Revolutionize the Manufactured Housing Industry

AI is no longer a futuristic concept—it's here, and it's changing the game in manufactured housing. From streamlining home design and production to transforming sales and customer service, AI is driving efficiency and innovation like never before. But where is this technology headed, and how can retailers, builders, and buyers take advantage of its full potential? This talk will explore AI's current role in the industry, its future impact, and how embracing it now can put you ahead of the competition.

Sanjeet Garimella, Product Manager, Manufactured Housing, NORDYNE Mike Igleheart, District Sales Manager IV, NORDYNE—

Join us for an informative session covering essential updates and improvements in the HVAC industry. We'll discuss the A2L/R-454B refrigerant changes and what they mean for contractors, and homeowners. A major focus will be on the key features and benefits of high-efficiency furnaces, how they contribute to energy savings, and the math behind their efficiency. Additionally, we'll break down the differences between residential and manufactured home (MH) furnaces, helping you make informed decisions on installations and upgrades.

Drew Esche-Lyon, Director of DAPIA Services, PFS-TECO—The Impact of the HUD Code Changes – MHCSS 4th and 5th Sets Final Rule

A discussion on the upcoming HUD code changes and how they will affect different parts of the industry. (Retailers, Manufacturers, Third Party Agencies, etc.) There are a good number of changes coming and it is important that you know how, and if, each change will affect you and what you should keep in mind going forward.

Christopher Hine, Associate Director, PHRC —PA UCC Residential Code Update

In accordance with the requirements of Act 45 of 1999 as amended, the Pennsylvania Uniform Construction Code (UCC) Review and Advisory Council (RAC) completed the review of the 2021 I-Codes on June 13, 2024. The code provisions that were adopted during this process are anticipated to take effect on or after July 13, 2025. This session will review implications of transitioning to 2021 ICC base codes, discuss PA legislative and RAC amendments, and dive into some highlights of the new code provisions for residential construction.
